The Main House boasts 13 bedroom suites, all of which have been attractively designed in an Anglo-Franco fusion to capture the elegance of the 16th Century French Renaissance style and the 20th Century Art Deco periods.

We also have a Heated Swimming Pool and Spa, Garden Dining Room with Pizza Oven and Fire Pit, and a Gym for your use and enjoyment.

Both the swimming pool and the Spa at Lo Mas Paré are heated all year round.

In the Bar, you can find a small wardrobe with swimming towels for you and your guests to use throughout your stay, please place these in the

hampers in your bedroom when you require them to be washed.

The Orangerie at Lo Mas Paré is a fabulous area on the Ground Floor of the House for rest and play. The triple aspect views allows for a relaxing morning coffee, or opening the doors for a sunny afternoon read is delightful. The Orangerie is also home to our Baby Grand Piano, which is perfect for a family sing song in the evenings!

The Garden Dining Room was built in 2012.

The building boasts a Pizza Oven, a dining table to seat up to 20, a fire pit for those chilly evenings, an outside barbeque area, and a two bedroom, two bathroom suite for you and your guests to enjoy.

You can also have an evening celebration here, as we have installed disco lights to complement your music playlist on our Sonos system!

Days Out

There is plenty to see and do in the local area, whether you are in to sightseeing, extreme sports, a round of Golf or just somewhere to sunbathe, there really is something for everyone.

Le Domaine de Falgos is undoubtedly the place to be in Languedoc-Roussillon for any player of golf. Falgos is a member of Golfy 19 Holes, and boasts a training bunker, putting and pitching green, as well as incredible views!

Tranquility awaits you in the Spa area of the Complex, offering a range of Beauty treatments.

Empuriabrava is host to the largest Sky Diving Centre in Europe, and one of the largest in the world!

Every year thousands of people make their first jump here, and Empuriabrava have given over 100,000 people their first jump in the centres history.

You will need to pre book your jump, so please speak to the House Team who will be happy to assist you!

Empuriabrava also boasts an indoor skydiving centre – Windoor.

Windoor is a great alternative to a full skydive if that is too extreme for you, and gives you the sensation of flying without the risks of a full sky dive. All you will have to worry about is how much fun you are having!

Aqua Brava is a WaterPark in Roses, Spain, approximately 1 hour from the House. With 19 'rides', including lazy rivers and long decent slides, there is something for everyone.

For younger members of the family, there are two children's areas – Tropic Island and Kids Lagoon.

Aqua Brava has two restaurants on site for lunch and snacks.

Ceret Market, which is held every Saturday, is a high point of the week and is much a Social Event as anything else. It is a bustling, busy Market, selling mostly local Produce.

The Spice Stall is a must see and the local Cheese makers sell everything from delicious French soft Cheeses to hard Cheese cut from large wheels.

Café de France, shaded by huge Plane Trees, is a great place to re-group after you have been to the Market.

Carcassonne is a Medieval Citadel sitting on the hill overlooking the 'New Town' of Carcassonne. This fairytale collection of drawbridges, towers, and atmospheric cobbled streets was reputedly the inspiration for Walt Disney's 'Sleeping Beauty'.

As well as the Castle itself, you must visit the New Town with eye-catching Boutique shops, and several good Restaurants.

The famous 'Canal du Midi' runs through Carcassonne, making the town a great launch pad for a day's pootle along the Canal.

Villefranche de Conflent is an Eleventh Century Medieval Town, and is classed as one of the most Beautiful Villages in France.

Take a trip on the 'Little Yellow Train', this is one of the greatest Railway journeys of the world. The line rises through dramatic scenery up the Pyrenees, and we recommend that you return back to Villefranche and have Lunch or Dinner.

The Auberge St Paul (please see places to eat) is a good choice.

You can also visit the magnificent caves of Les Grandes Canalettes described as 'The Underground Versailles'

Known as the 'Land of Inspiration', Collioure is an idyllic place on the rocky coastline, nestling in an unspoilt, protected environment.

This small Catalan Port is sheltered by a creek where the waters of the Mediterranean meet the rocks of the Pyrenees. Much more than just a beach, Collioure is a unique place to enjoy the Catalan well-being and lifestyle!

With dozens of small, interesting shops and too many restaurants to mention, Collioure is a place you just must visit.

Beach Trips

Collioure Beach is gorgeous, with its ancient ramparts spilling into the Sea, and its Italian Riviera-esque shorefront Bars and Restaurants.

The Beach is a lovely place to sit, perhaps after Lunch on the Promenade.

Le Racou is a smaller beach, which can get crowded during peak times.

There are approximately 8 Cafés/Restaurants behind the Beach, and is an excellent Beach for a family day out.

If you want to go further afield, the white sandy beaches of Roses on the Costa Brava is approximately 1 hour away from Lo Mas Paré by car.

The busy promenade offers shops and restaurants which cater for all tastes.

Just a 20 minute walk from Roses is **Canyelles Bay**, which offers clear blue waters, finer dining, and a quieter day by the Sea.

Within the large sweeping Bay of Roses, it is protected by steep headlands of Costa Roja Point to the west, Bonifaci Point to the east, and the surrounding steep hills.

Places to Eat

As well as being served fabulous food at Lo Mas Paré, there are also some amazing restaurants not far from the House.

La Gua Gua is our favourite summer restaurant. Directly on the Beach of a small bay called Canyelles, just North of Roses, the Beach gets very busy in the Summer. The Children can enjoy the snack bar, while the adults can have a fabulous Seafood Lunch. Meat and Pasta dishes are available, but please be sure to ask the price of any fish marked 'MP' – this means 'Market Price' and can make the bill very expensive!

Can Mach is the nearest Restaurant to the House in Tapis – approximately 15 minutes away by car. The ultimate 'Cheap and Cheerful' Spanish Restaurant with exceptional value for money, Can Mach is very busy, always full of locals, and hunters who assemble there for Wild Boar Shoots.

Specialities include Caracolles (Snails!) Wild Boar, and Entrecot Steak, as well as Chargrilled Rabbit of course!

Pescadors is a formal restaurant in the very pretty Northern Spanish Port of Llanca. The restaurant serves lots of Seafood specialities and fine wines, as well as serving Sunday Lunch from 1:30pm – 6pm!

After Lunch, you can enjoy a stroll up the small hill which gives you an all-round view of the Bay.

El Cellar de Can Roca was voted the best restaurant in the World in 2013, and if you want to have the

meal of a lifetime, it is undoubtedly the place to go.

a Family run Business by the Roca Brothers; Head Chef Joan is a cook of the very highest order, Josep is the Head Sommelier who runs the supremely smooth front of house, and Jordi is the rule-breaking Pastry Chef who's creations blow the imagination.
